Dear Admissions Team,

It is with pleasure that I offer this letter of recommendation of behalf of Lucy Beth Fraser for admission to your program. I have known Lucy Beth as a student for the past five and a half years. Through her three years of middle school and most currently as her American Sign Language teacher. During this time Lucy Beth has demonstrated that she is an intelligent, responsible, caring individual, well prepared to take the next steps in their academic career as a college student.

As a student last year in my ASL 1 and currently a student in my ASL 2 course, Lucy Beth has consistently demonstrated scholarly traits through her hard work and dedication. In class she is always prepared, focused and asks appropriate, thought provoking questions. When called upon, Lucy Beth will always engage and provide well thought out, relevant responses.

Lucy Beth is a pleasure to have in class, her positive attitude and determination, even when not feeling her best is an immensely admirable asset. I'm confident that she will continue to demonstrate the same perseverance throughout her college experience. I highly recommend Lucy Beth for admission to your undergraduate program. Please feel free to contact me with any additional questions.

Respectfully Submitted:
