Dear Mr. & Mrs. Rothberg,

It was a true pleasure meeting you both today. On behalf of the Sharon Community Center, please accept my deepest and most sincere gratitude for the generous donation in your son, Michael's memory.

As a result of your incredible kindness, many young people within the Sharon Community will have the opportunity to participate in swim lessons, learn to sail on beloved Lake Massapoag, and partake in our summer sports program. I am not sure there is a more profound legacy than to encourage and empower young people with opportunities for growth, character building and leadership. We as a Department are humbled by your generosity and proud to advance your son's name, character and tribute.

Sincerely,
